

Ideation Phase

Empathize & Discover

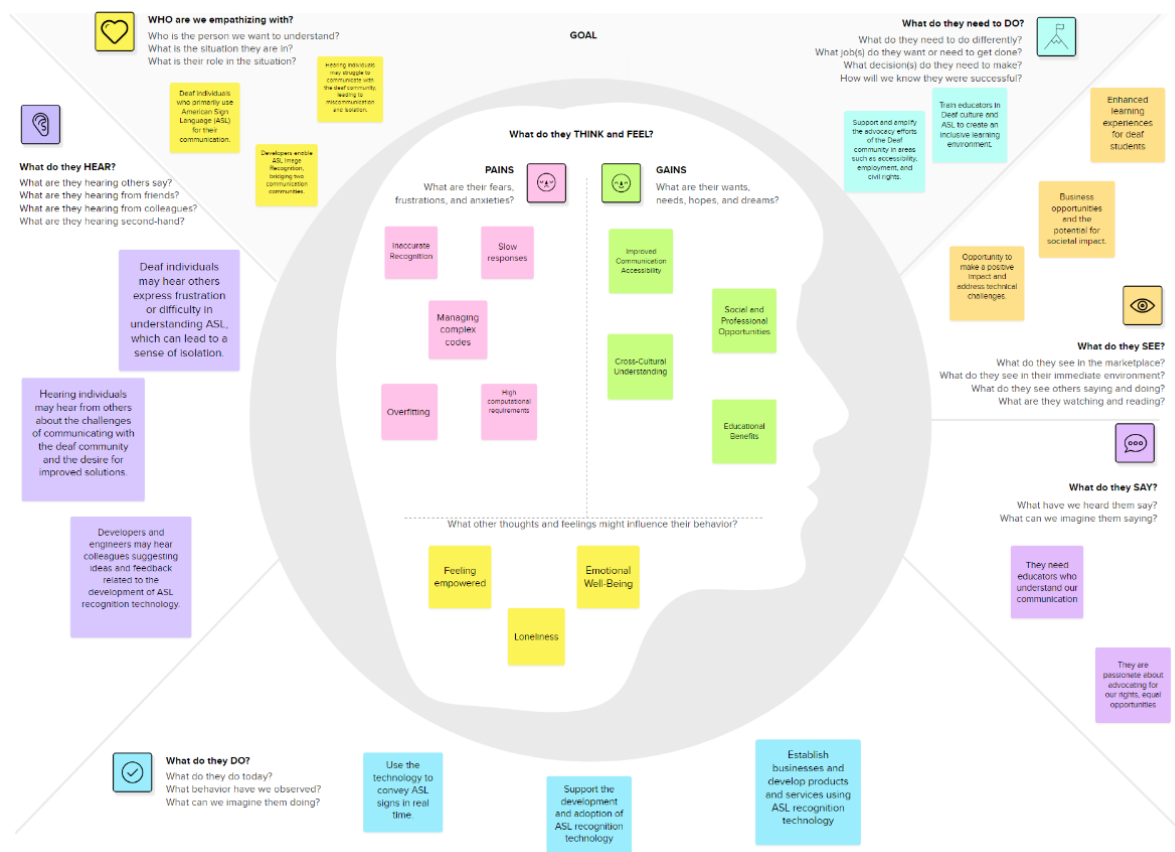

Date	30 October 2023
Team ID	Team-591769
Project Name	ASL - American Sign Language Recognition
Maximum Marks	4 Marks

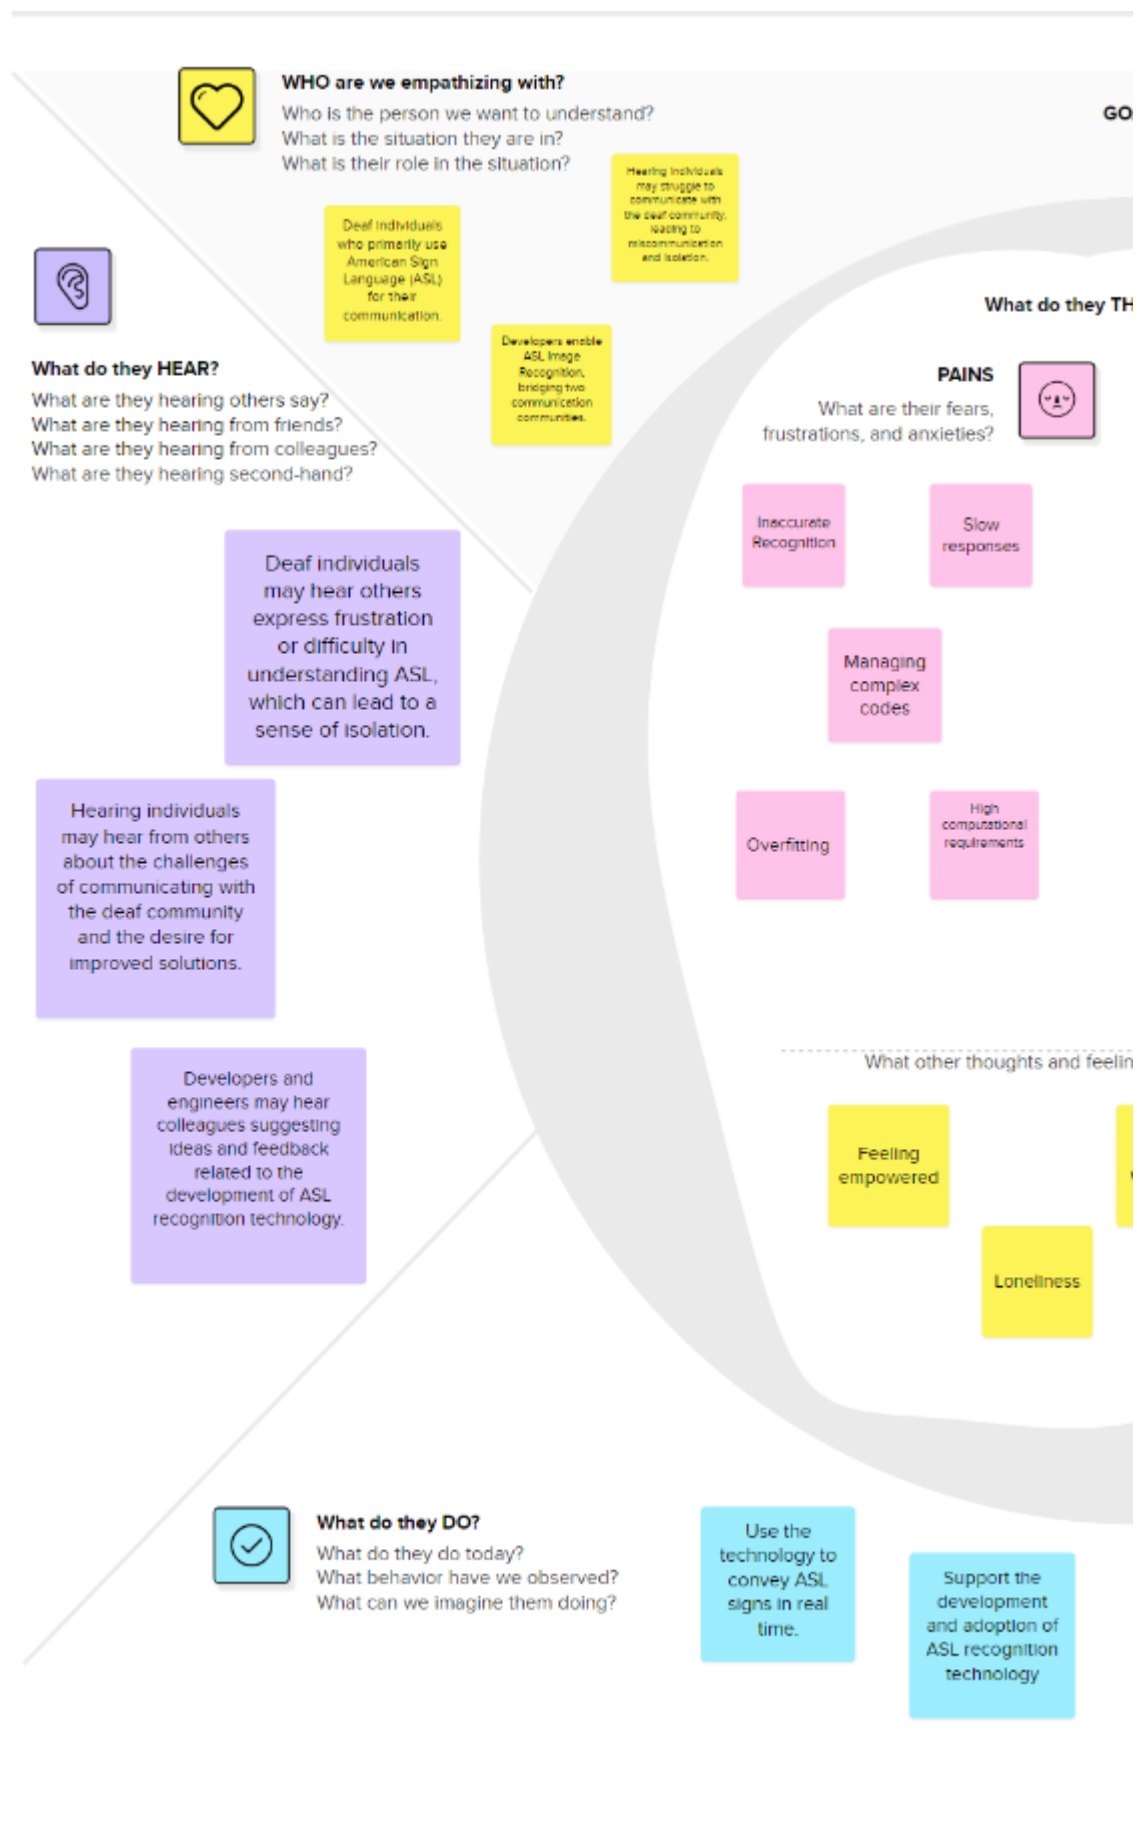

Empathy Map Canvas:

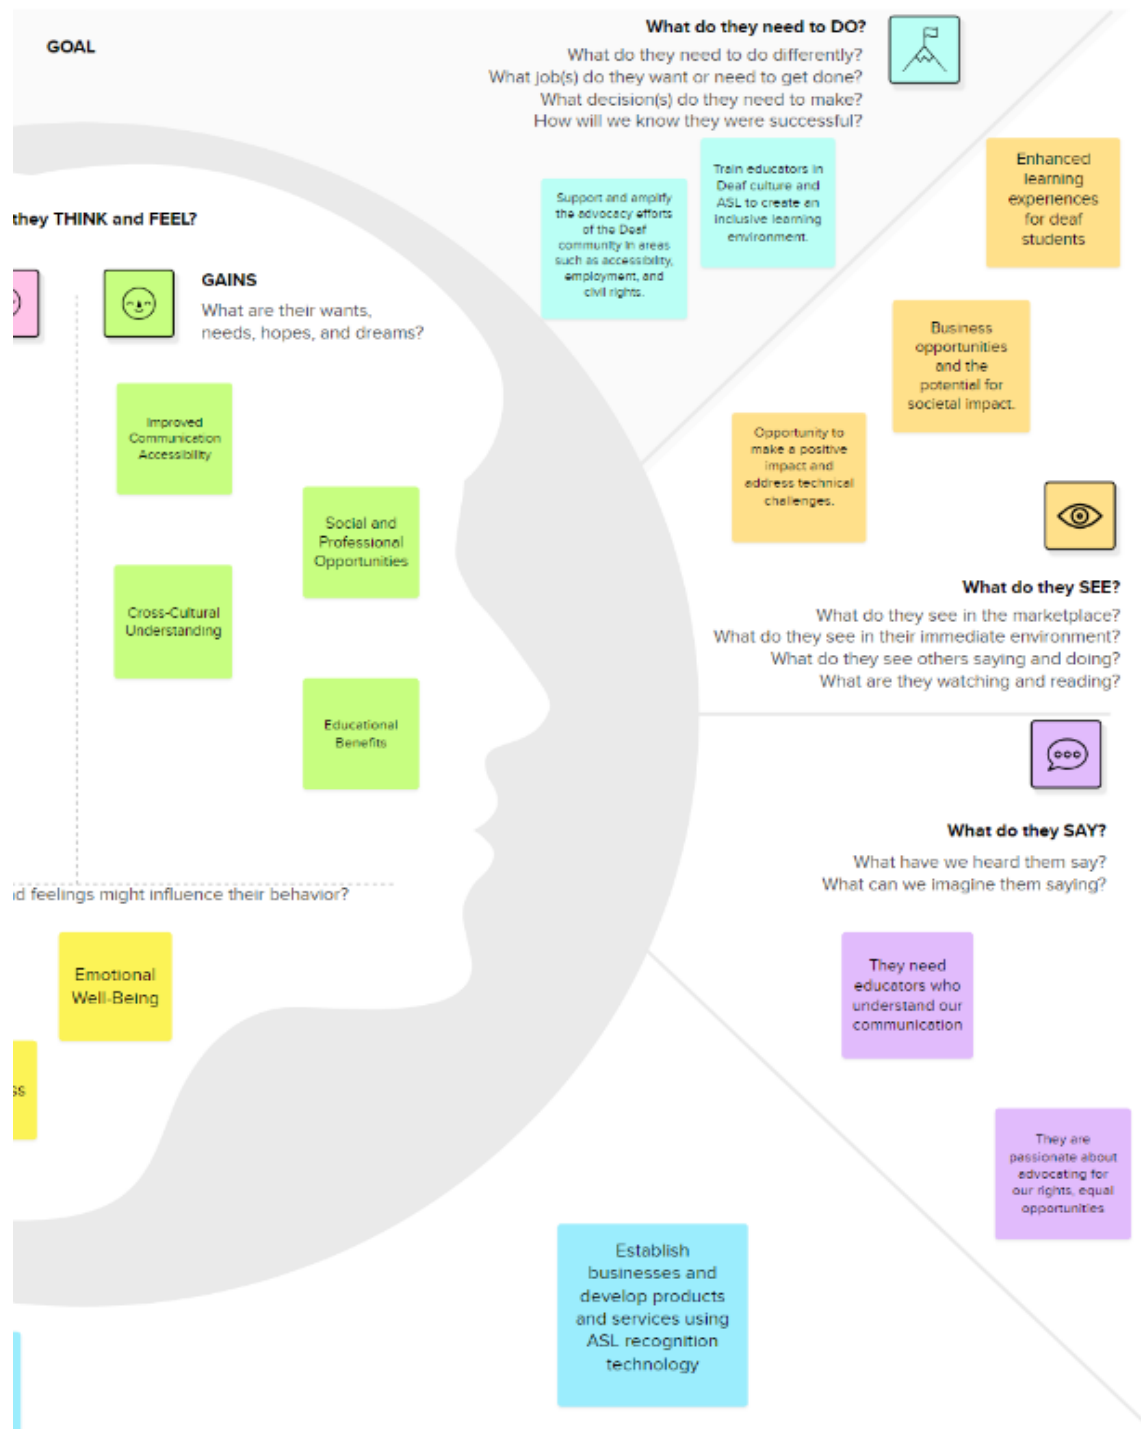

An empathy map is a simple, easy-to-digest visual that captures knowledge about a user's behaviors and attitudes.

It is a useful tool to help teams better understand their users.

Creating an effective solution requires understanding the true problem and the person who is experiencing it. The exercise of creating the map helps participants consider things from the user's perspective along with his or her goals and challenges.
